

Maggie and Stan Technical Spec

We normally prefer not to use PA unless it is really necessary but if we need it:

Channel	Performer	Microphone & Stand
1	Maggie	Vocal Mic (High Level Stand)
2		Instrument Mic (Low Level Stand) for RH Squeezeboxes
3		Instrument Mic (Low Level Stand) for LH Squeezeboxes
4	Stan	Vocal Mic (High Level Stand)
5		Instrument Mic (Stand) for Guitar, Banjo, Ukes etc
6	Maggie (Optional if needed)	Instrument Mic (High Level Stand) for Dulcimer

Note: If we are not bringing many instrument sometimes we use Microvox pickups rather than instrument mics, in which case we would need 2 DI boxes with no phantom power.

We need two chairs with no arms please (three if using the Dulcimer)
